

Course Description:

This qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in program management across a range of enterprise and industry contexts. The job roles that relate to this qualification include Program Manager.

Course Outcome:

Individuals at this level use initiative and judgement to direct, plan, and lead a range of program functions, with accountability for personal and team outcomes within broad parameters. They use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.

Entry Requirement:

International students must:

- Be at least 18 years of age.
- Have completed a qualification at a Certificate IV level in a related field such as hospitality, business, management or human resources.
- Have an IELTS score of 5.5 or equivalent (test results must be no more than 3 years old)

Assessment Method:

Assessments may include short written knowledge tests, discussions and oral communication demonstrations, case study exercises, written reports, web-based research and reports, final projects and final written exams. To perform at your best, you will probably need to work on the assessments outside of class time.

Recognition of Prior Learning (RPL):

Students who have completed relevant studies or have some of the competencies in the course may apply for Recognition of Prior Learning (RPL). Application for RPL can be made with the initial application or can be made within two weeks of the course commencement using the RPL Application Form and by providing supporting documents. Please note that RPL cannot result in an international student having less than a full-time load of study (20 hours per week) but can reduce the overall duration of the course and fees. See our Student Handbook for more information.

Course Credit

If a Student has an Australian VET qualification and the units match exactly with the units delivered, the Student will be granted a Direct Credit Transfer. Marketing and student services staff will manage this process following Student Credit Transfer and Recognition of Prior Learning policy and procedure. This sets out how the process is administered and the adjustment to course duration and course fees.
