Policy

Sydney City College of Management will ensure that Credit Transfer (CT) / Recognition of Prior Learning (RPL) is offered to all applicants prior to and upon enrolment. Sydney City College of Management will fully recognise the AQF and VET Qualifications and Statements of Attainments issued by other Registered Training Organisations and ensures that its own recognition process is transparent, fair and provides students with sufficient information to support their claim for recognition. It is a requirement that Sydney City College of Management grant credit to learners that have previously completed units of competency or modules (unless licensing or regulatory requirements prevent this) and that students are not required to repeat any unit or module in which they have already been assessed as competent unless a regulatory requirement or licence condition (including industry licensing schemes) require this.
