This BSB60720 - Advanced Diploma of Program Management qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in program management across a range of enterprise and industry contexts. The job roles that relate to this qualification include Program Manager. Individuals in these roles are responsible for managing or directing a program to achieve organisational objectives. A program is defined as a set of interrelated projects, each of which has a project manager.

Individuals at this level use initiative and judgement to direct, plan, and lead a range of program functions, with accountability for personal and team outcomes within broad parameters. They use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.

## Assessment Strategies

Students are provided with assessment resources at the commencement of each unit of competency, along with learning resources.

The assessment resources set out the range and types of assessment tasks that will be used for the unit.

Each unit will comprise of number of assessment tasks which may include short written knowledge tests; discussions; compiling portfolio of evidence; projects; case studies; research; written reports; participating in practical activities such as demonstrations, roleplays and presentations. To perform at your best, you will probably need to work on the assessments outside of class time.

## Student Support

All students will be provided with a range of learning support options and resources to help them achieve competency. This includes:

- Academic and personal support.
- Referral to external support services.

## Credit Transfer

If a Student has an Australian VET qualification and the units are equivalent to the units delivered, the Student will be granted a Direct Credit Transfer.

Qualified trainers/assessors will manage this process following our Student Credit Transfer and Recognition of Prior Learning policy and procedure. This sets out how the process is administered and the adjustment to course duration and course fees.

## Policies and Procedures

SCCM adopts and follows policies and procedures that treat all students fairly and equitably following all relevant legislation. For more information, please visit <https://sccm.edu.au/current-students/resources/>

## Course Structure

To be awarded this qualification, competency must be demonstrated in 12 units of competency, consisting of 4 core units and 8 elective units.

## Recognition of Prior Learning (RPL)

Students who have completed relevant studies or have some of the competencies in the course may apply for Recognition of Prior Learning (RPL). Application for RPL can be made with the initial application or can be made within two weeks of the course commencement using the RPL Application Form and by providing supporting documents. Qualified trainers/assessors will manage the RPL process.

Please note that RPL cannot result in an international student having less than a full-time load of study (20 hours per week) but can reduce the overall duration of the course and fees.
